ORDER

This is a civil rights lawsuit. Thalia Vouchides, the plaintiff, and Janis Thompson, the intervenor, did not amend their complaint following this court's previous memorandum and order. (See Docket Entry No. 58). The only remaining claim in this case is their 42 U.S.C. § 1983 claim for unlawful stop and detention against Colleen Adams. The parties must file a proposed scheduling and docket control order setting out a proposed schedule to resolve this remaining claim. The proposed scheduling order must be filed by **January 6, 2011**.

SIGNED on December 16, 2011, at Houston, Texas.
